SRI SUBRAMANYA CHARITABLE TRUST (Regd.)

Let compassion be our passion, conscience our guide, consensus our aim, consistency our virtue, contentment our goal, empathy our watchword, humanity our companion and humility our signature. May all our actions and inactions lead to peace and prosperity!

SSCT's guiding principles

Our Vision

Our Trust's Vision is to stimulate and manifest the essential goodness and divinity inherent in the children of our neighborhood through seamless blending of education and character building. It is our conviction that this would bring material and spiritual prosperity for themselves, their families and the community at large.

Our Mission

Our Trust's Mission is to provide poor children supplementary education that enhances their knowledge and spiritual values. We aspire to see them blossom as well- rounded individuals who will in turn lead such initiatives thus creating prosperity and peace in a continuous cascaded manner.

Blessed Selves,

We are extremely glad to present our Annual Reports for the years 2023-'24 & 2024-'25, clubbing together two Years' Reports, as we had done in respect of the Reports relating to 2019-'20 & 2020-'21 and 2021-'22 & 2022-'23. We sincerely wish that we can restore the Annual Status to the Report in the fiscal 2025-'26, for which we feel guilty for our indiscretion.

Mercifully we have left behind the vestiges of the pandemic period which forced us to combine two year's Reports into one. We appreciate your forbearance. As always, we invoke the blessings of The Almighty to bless one and all with all good things of life and further pray that we remain committed to fair play and humane considerations.

As in the past, we are guided by Sri S. Ramakrishnan, Founder President of Amar Seva Sangam, Ayikudy. A visionary, as he is, he believes in co-existence and always stands for promotion of NGOs even if they are competing with the existing NGOs. Ours is a vast Country which has place for everyone and we would do well to realise that our sister NGOs are not our competitors but are our companions. He further believes in Inter-NGOs co-operation.

Trust's thrust area is Education:

Evolution is the order of the day. It is no wonder that Education is also evolving and assumes a comprehensive connotation to include learning of Languages, Sports and Fine-Arts. The recent National Education Policy lays great importance on academic education as also on Sports, making sports a part of curriculum of academics. Thus Academic Education and Sports Education are totally complementary and one will not be complete without the other. They are like Siamese twins.

Now on to a review of our activities since the inception of the Trust in February 2006.

The Trust felt then that students studying in Government Schools needed a Centre to guide them do their home work and enrich their knowledge, as they come from relatively poorer sections of the society. Our Tuition Centres attracted students and we set on our journey on a happy and rewarding note. We used to have 350 students at our Ayikudy Tuition Centre and there was time when we had to turn away the parents seeking enrolment of their wards, for we had the optimum strength.

The strength became abysmally low after the pandemic Covid-19, students missing their regular Classes and the joy of schooling, for we too had to follow the SOP. Students also lost their flair for studies. Academic education received a severe jolt. We are yet to recover. Our strength at Ayikudy Centre which is now in the neighbourhood of 45 students, mostly boys, has been a matter of concern for us. The reason behind is many parents are concerned about wards and after Covid period they requested degree holder girls to conduct tuition classes in nearby streets in their houses. We thought that we should spread our wings and explore the possibilities of opening Tuition Centres in the neighbourhoods as also elsewhere. As on the 31st March 2024, we have had the following Tuition Centres with full data:

Melagaram Women's Group Bhajan Event

Surveys show that academic standards are not as they should be. Flair for academic studies is on the wane especially with the students in rural areas. However, there is a surge in the students taking to sports. Taking the cue, we have been laying more emphasis on sports, as the visuals of our Sports Complex spread over 21.5 acres show. As visionaries, we should focus our attention on the areas that interest students, not ignoring the basic of academic education.

We have appointed a coach to train rural students in various disciplines of sports. Hopefully, we expect our efforts to bear fruits over the years, given the support of the Tamilnadu Government and the Centre, also our generous donors who love sports.

Hopefully, we can make a mark in the coming years in the international arena of sports, bettering our performance in Olympics, for medal tally in the 2020 and 2024 were respectively 7(One Gold, Two Silver & Four Bronze) and 6(One Silver & Five Bronze), pushing us to the 71st place, a bad commentary to a Nation with 1.4 billion population. We seek and get a co-operation and patronage of Authorities at the Local, District, State and National levels to take sports to many notches above the present. Hopefully, our Sri Durga Vani Sports Academy at Keezhapuliyur in Tenkasi District, TamilNadu, will deliver the goods over the years.

In 2024 Paralympics, India won 29 Medals comprising 7 Gold, 9 Silver, and 13 Bronze, 84 Indian athletes participated in the event whereas in 2020 Paralympics, India won 19 Medals consisting of 5 Gold, 8 Silver and 6 Bronze, a contingent of 54 achieving the feat.

Sports promote healthy competition and recognition, providing prize money as well. With a view to dream big, think big and do big, we are planning to make our rural youth participate in competitions held at various levels. As a first step, we will organise inter-school competitions, an initiative we are already into as the visuals vouch for.

We will follow it by holding inter-district competitions. With the experience gained by the rural students, we will sponsor their participation at the State level. Then on at inter-State levels and National level, given the support of sponsoring Agencies.

Once our athletes make grades at the State and National levels, the Sports Authority of India will pick them up for intensive training for participation in International events such as:

1. Common wealth Games
2. Asian Games
3. Olympics

|| Sowa Parmo Dharma ||

Our aim is to groom the challenged youth as well so that they can participate in Paralympics. With this end in view, we have designed a calendar listing out the sports events as a whole at various levels - District, State, National and International levels. In 2020, 119 athletes took part in various events whereas in 2024, 117 athletes took part. We strongly believe that our rural youth, given the necessary impetus, will ring in a total change for the better in the medals tally.

It's a proud moment that Gukesh Dommaraju, also known as Gukesh D is the reigning world chess champion 2024. That he hails from Chennai adds to our cupful of joy. The youngest to achieve the feat makes our joy manifold. Kindly join us in congratulating him as also pray for further success in his endeavours. In the immediately preceding Annual Report, we took note of the Indian Grandmaster R. Praggnanandhaa of Chennai ending up as a runner-up in the final against Magnus Carlsen.

As we conclude the Report, we once again record our gratitude to all the stakeholders. Donations constitute our lifeline which we are privileged to receive from the well-wishers seamlessly over the years. Donors, you keep us going enabling us pick up pace in our pursuits.

We reiterate that your patronage is our strength which we bank on and which will help us in our march towards achieving our goals.

12.02.2025 - Four Years ago when Chithra (Lakshmi) mentioned to me about her new project to set up a sports stadium in Ayikudy, it looked to me to be a day dream, as I felf that it is inconceivable even to think to such a project in this remote village. Today when I visited the place, I was amazed to see how such a vast ground was acquired, such a tough terrain was developed, how many hurdles she must have crossed to make her dream come true. It is surprising to see how she mobilized all the resources money, manpower and above all, sports experts to set up this huge project. Think of any game or sports: it is right here-Foodball, Hockey, Basketball, Cricket, Volleyball, Tennis Table tennis, Kabadi, Bar and Rope Climbing and more. It caters to all sports loving people, police and army services. I wonder if such a comprehensive sports facility is available anywhere in Tamilnadu. A mammoth task in the service of rural folks by a simple village lady. Hats off to her.

Message of Condolence

As we pen this Message of Condolence, we record with a great sense of gratitude, the stellar role played by Shri H. Lakshmanan Mama in the growth of Amar Seva Sangam and Sri Subramanya Charitable Trust, the major beneficiaries of his kind disposition. He was a pillar of strength to TVS Group of Companies and a human being of benign nature, helping social causes with a rare sense of devotion and commitment. Mama believed in the concept "Work is Worship". He worked up to the age of 91, known as to "**Pitha Mahar**" to all the employees of the TVS Group. The respect and love he enjoyed among the employees was of a rare kind. He never allowed age to get the better of him.

That Mama breathed his last on the auspicious occasion of Vaikunda Ekadesi goes to show that he was a great blessed soul, guiding us and helping us till his ripe age of 92.

Through this message, we pray for his eternal peace and pray that his family is blessed with courage and resilience to bear with this irreparable loss. Mama lives on in our midst, the TVS two-wheelers and the Auto that we are blessed to receive gratis from the TVS Group stand as a testimony to his commitment. Thus he is immortal!
